My Little Pet Bat

By J. Rickey

List 2

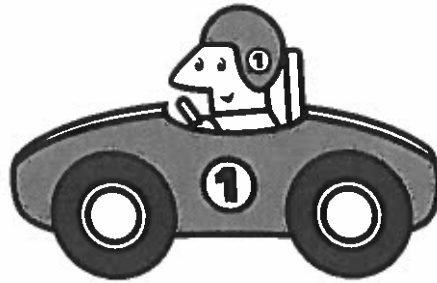

Jim had a little bat with him. It went up and out to a tree. We then went down there to look at her. As we went down some one said look out, there is a bat. Then, we all went out to look there. Jim said I have a bat for a little pet. I just let her out. Her name is Blackie. Go with me up the hill to look for her. She has some little hairs on her. Then we all went with him to look at her. Jim said the little bat that was with him was his pet, so we were all happy to go look at her.

Dolch List 2

Fixing the Car

By J. Rickey

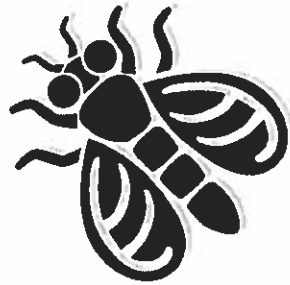

My dad had his car out to fix her. I went down with him to look at the car. We will have fun to fix the little car. Then my mom came out to fix the little car too. My mom said I am going up to sit in the car. My dad and I will have to fix the car then. There is some fixing to do. We will have to be fast. I am little and do not know how to fix a car, so I will go down with my dad to fix the car. I will look at him as he can fix the car. We all had fun down with the car.

Dolch List 2

The Bug

By J. Rickey

There is a little bug in the rug. Come down to look at the little bug. Then my mom came down to look at him. Some bugs are little and some are big. I do not like it at all. Not all kids like bugs. Then my dad came down to look at the bug. Go get a jar to put the little bug in. There are some jars. Put the bug in there. “He will get out of that jar”, I said. “Put the bug out on a tree. There is a tree in the yard.” I will go out then and put the little bug up in a tree.

A Snake For A Pet

By John Rickey

We saw three snakes at a pet shop. They gave us a funny feeling and made us run away. Those snakes looked full I said. What had the snake done? I know, the snake ate a cat and was full up. How could I find out? I will feel better if I buy the snakes and then hold the snakes. Our snakes will do better if we keep them warm. I have only had a dog for a pet but now those three snakes will be my pets. Yikes, what have I done?

The Small Ant

By John Rickey

An ant is small but can pull and carry things that are not light. It can cut things with its own jaws which it also uses to carry things. I like the kind of ant that does not bite and hurt you. When I sit and read a book I see ants. When I look under a log I see ants which run fast. I do not see ants in the fall. They must hide under logs. Why do ants hide?

Together

By John Rickey

It is good to laugh together because it shows many kids are happy. To sing together is a small thing but it shows we are happy too. These days we need to say thank you and please. It is best to be clean and wash our hands when it is hot. To draw together, sing together and laugh together with kids from far and wide is good. Please do these things. They are best.
